<u>**COOKIES POLICY**</u>

Introduction

This Cookies Policy ("**Policy**") outlines how cookies are handled by the website https://101mt.com/ (the "**Website**"), operated by Benjo Limited. For further details on data protection, please refer to our Privacy Policy.

We reserve the right to update this Policy at any time. We may also notify you in other ways from time to time about the processing of your personal information.

What are Cookies

Cookies are small data files stored on your browser that allow the Website to remember your actions and preferences over time. Some cookies may require your explicit consent.

What type of cookies do we use?

We utilize essential cookies only, which are necessary for the Website's functionality. These cookies include:

Cookie Name	Purpose	Duration	Cookie Type
PHPSESSID	native to PHP and enables websites to store serialised state data	Session	Essential
stripe_mid	cookies as an element of the security measures used to protect user accounts, including preventing fraudulent use of login credentials, and to protect our website and services generally	12 months	Essential
stripe_sid	store information about your preferences and to personalise our website for you	30 minutes	Essential
cookie_notice_accepted	read if cookies can be placed.	1 month	Essential
dsp	Used to track the latest DSP the user same from.	3 hours	Essential
externalParams	sed to track any external parameters set by third party integrations or any other data not being tracked in any other way.	3 hours	Essential
f	Used to track the latest funnel the user came from.	3 hours	Essential
uf	Used to track the unknown funnel the user came from.	3 hours	Essential
uuid	Stores a universally unique identifier (UUID) allowing the tracking of the same visitor across multiple pages and sessions	730 days	Essential

Cookie Name	Purpose	Duration	Cookie Type
woocommerce_cart_hash	Helps WooCommerce determine when cart contents/data changes.	Session	Essential
woocommerce_items_in_cart	Helps WooCommerce determine when cart contents/data changes.	Session	Essential
wordpress_logged_in_{UID}	Remember User session	Session	Essential

wp_woocommerce_session_{UID}	Contains a unique code for each customer so that it knows where to find the cart data in the database for each customer.	2 days	Essential

These cookies are essential for the Website's operation and are activated automatically. They are usually deleted after your session ends or as specified in the table above.

Consent to Cookies
As we only use essential cookies, your consent is not required. However, if you prefer not to receive cookies, you can stop using the Website or adjust your browser settings to block all cookies.

Use of Cookies

As mentioned above, cookies are used in order to provide you with a better experience in using the Website. If you do not wish to receive cookies, you may be able to change the settings of the browser or mobile device to refuse all cookies or to receive notification each time a cookie is sent, thereby giving the choice whether to accept it or not. However, this may impair the quality of the experience in using the Website.

How can you manage the installation of Cookies?

You can manage and delete cookies directly through your browser settings. However, blocking all cookies may affect the functionality of the Website. For more information, visit www.allaboutcookies.org.
